

# Monthly News Letter

~ April 2019~

## Board Notes

Our membership drive is going well. We have crossed over 1000 new Anniversary Members. We are in the last stage of this campaign and we still have not reached 50% capacity for the golf course. Our rounds of golf have increased significantly with more 100 round days of golf in March than the last two years together.

We are doing our best to solve problems as we go. Make any suggestions that you might see to improve our operations to the board.

We are still looking for marshals to work weekdays and weekends. This has become more important since we have added the additional play.

Couples golf has started on Friday nights starting at 5:30 pm. Call the golf shop if you are planning to come so they do not start without you.

## Red Flags

If you have a handicap placard or a handicap car tag, you can use a Red Flag. It can be purchased in the pro shop for a \$10 fee.

## Tee Times

You can book tee times in advance by going to our website [www.oakhillsgolfcoursetn.com](http://www.oakhillsgolfcoursetn.com). We are still having issues with our email send out. We hope to have this resolved this week.

## Ladies Red Shoe

The event will be held on Wednesday, June 12. This is a Two-Lady scramble. If you are interested, contact Debi Jones at [jonesdeb@aol.com](mailto:jonesdeb@aol.com) to enter.

## Did You Know?

848 is the number of miles spanned by Australia Nullarbor Links Golf Course, which stretches from Kalgoorlie to Ceduna along the desolate Eyre Highway.

## Superintendent Notes

As you can see our course is having more play. Please correct in a nice way any situations that are violations on the course. Several of our new members are getting back into playing golf. Be patient.

We plan to lay more sod this week on tee boxes on holes #8 and #12. And we continue work on the new tee box for #13.

We also still have the Granite hole markers on #4, 5, 6, 12, 14, 15, and 18 that are still available for any member to sponsor by doing the landscape around the marker.

## Financial Report

- 2019 Annual Budget Projections-
- \$334,588.86
- Income through March 2019
