## Tee Times

You can book tee times 14 days in advance by going to our website [oakhills-golfcoursetn.com](http://oakhills-golfcoursetn.com). Click member log in and

put golf in for the pass word. That will then bring up the tee sheet for you to book.

## Superintendent Notes

Matt Powell will be working with us to make sure our chemicals are used properly and when needed. Matt has years of experience as a superintendent.

As you can see our course is having more play. Please correct in a nice way any situations that are violations on the course.

We plan to have marshals when the golf season starts. If you or anyone you know would marshal, please let a board member or Amy know.
